PARISH  
COUNCIL

# NEWSLETTER

APRIL 2013 Volume 3 Issue 2

**ANNUAL ASSEMBLY and  
LAUNCH OF THE NEIGHBOURHOOD PLAN  
HARTFIELD VILLAGE HALL  
15<sup>th</sup> April 2013  
7.30 pm  
*Please be there...***

## MESSAGE FROM THE CHAIRMAN

By the time you receive this newsletter it will be April and maybe some spring sunshine will be warming all our lives. The Memorial Garden in the village has been slow to get going this year and some plants have not survived the cold and wet but others have thrived so perhaps there are a few “silver linings” on the way.

In the New Year, Wealden District Council set the new tax base for Council Tax and the increase in the Parish Precept for Hartfield amounts to 2.1% which is still well below the level of inflation.

In February the new lease was signed between the Playschool and the Parish Council giving the Playschool Management Committee more autonomy in managing the Playschool building and reducing their monthly payments into the Trustee account to a peppercorn rent paid to the Parish Council. There are still details regarding the transfer of funds to the Playschool to finalise but we hope to have the whole process completed next month.

As summer approaches, village organisations are preparing a wide range of summer activities for us all to enjoy and everyone deserves better weather than last year. Please be careful, though, not to place advertising signs on the village pinch points as it is considered dangerous.

**Jo Edwarde - Chairman, Hartfield Parish Council.**

**ANNUAL ASSEMBLY** – Meeting of all Parishioners on 15.4.13. (See banner above). This traditional meeting is held for Parishioners and parish societies to come together and share local *News and Views*. The Annual Report which includes updates from the societies will be available at the meeting. The main focus this year will be Neighbourhood Planning (see below). All parishioners are encouraged to come along and share ideas not only on matters which involve planning but also on any Community Development ideas for the future.

**A PARISH ACTION PLAN** was published in 2008, after public consultation, as “a statement of how the community sees itself developing over the next five to ten years, to inform decision making at parish, district and county level”. Many of the initiatives identified in that plan have since been delivered by the Parish Council or community groups, but others remain “work in progress”. Five years on local people now have another opportunity to think about the future of Hartfield parish and take part in a follow on process – to develop a **Community Plan** (setting out the things we can deliver ourselves).

**NEIGHBOURHOOD PLAN.** This Government directive is passing more power down to the people to set out local planning policies for the use and development of land in our parishes and towns in the longer term. After a brief introductory presentation we will break up into smaller, informal groupings to encourage you to contribute your own thoughts and ideas. A steering group will be formed to create the Neighbourhood Plan and if it achieves a majority vote in a public referendum, then it has statutory force and has to be considered by the District Council whenever local planning applications are decided.

Why not come along on the 15<sup>th</sup> April to have your say.

## PARISH COUNCILLOR VACANCY

In March, we were sorry to receive Neil Postlethwaite's resignation from the Parish Council. Neil was co-opted onto the Council in May 2011 and has seen us through the development of the Parish Office, the introduction of the Localism Act and the Queen's Diamond Jubilee celebrations. He has found it increasingly difficult to find time for Parish Council work and decided to step aside in favour of someone who might have more time to commit to this very important voluntary work. Our thanks go to Neil for his input over the past two years.

This resignation leaves a vacancy on the Parish Council which provides a rare opportunity for someone who is interested in helping to shape the environment in which they live. Increasingly, decision making is being passed to Parish Councils and the work of councillors is both important and fulfilling. It is with a sense of achievement that decisions are carried through and the locality develops and improves as a result. The Parish stretches from beyond Holtye in the north to Old Lodge Nature Reserve in the south and reaches out towards both Forest Row and Withyham along the B2110. It embraces both the Area of Outstanding Natural Beauty and the Conservation area of the village High Street.

The only statutory duty of a Parish Councillor is to attend a certain number of full Parish Council meetings (there are 10 per year) however all Councillors are also members of the Finance and Strategy committees. Most Councillors join at least one other committee – these are Transport and Environment, Town Croft and Parish Assets, Planning and Rights of Way, as it is at this level that much of the work of the council is carried out. Committees each meet two or three times a year except Planning which meets monthly. The Parish Council web-site has details of all the committees and published minutes of meetings are a useful source of information about their work. A desire to serve the community and enthusiasm to get involved in decision making is important.

Notices were posted on 14 March announcing the vacancy with details concerning the recruitment of a new co-opted Councillor. As there has been no request from parishioners for there to be an election, prospective candidates are invited to contact the Parish Clerk ([parishclerk@hartfieldonline.com](mailto:parishclerk@hartfieldonline.com)) and if there is more than one candidate, a selection process will be carried out by the Parish Council

## HARTFIELD FUN RUN 2013 – SUNDAY 14<sup>TH</sup> APRIL

All proceeds go to the Hartfield Pavilion Renovation Fund.

It's not too late to join the 2013 Fun Run. You can enter on race day up to 10am. Get yourself in trim for the summer, there's something for everyone. The 2k (1.2 miles) is a gentle trot through the fields near the Forest Way. The 5.6k (3.5 miles) leads up to St Ives Lane and back past Lower Parrock – plenty of opportunity to stop and admire the view or the most enthusiastic might finish the course in 20 minutes! The 10k (6 miles) is for the most dedicated but, surprisingly, is also the most popular. It climbs up to the Ashurst Wood phone mast and back behind Ashdown House School. There are medals for all finishers and trophies for the winners. All distances are also for walkers who will be supplied with a walkers' map and instructions.

- Race headquarters Town Croft Hartfield East Sussex TN7 4AD
- Facilities, Car Parking, Toilets, Shower, Bag Drop, Refreshments, BBQ, Bar.
- Fun for all the family. Children's Playground

For more details visit [www.hartfieldonline.com](http://www.hartfieldonline.com) (click Fun Run) or phone Eddie on 01892 770201.

**RIGHTS OF WAY** I am pleased to be able to report that Footpath 15 at Faircote Hall has now been re-instated and re-opened to the public along its original route following completion of their new sand school. Additionally, Footpath 6 at Newbridge has also re-opened following modifications to improve the safety of the bridge in line with East Sussex County Council's requirements. Please consult the Parish Footpath Map, on sale in the village shop, for the location of these and all other routes within the Parish. At the last ROW meeting Brenda Brunson expressed a desire to retire from the committee and grateful thanks were expressed for her long association with the ROW group. I announced I would be stepping down as Chair of ROW and hopefully a new appointment will be made at our next meeting.

**Laura Hatch**

### **TOWN CROFT AND PARISH ASSETS**

Over the last year we have continued with improvements to the sports pavilion. New double glazed windows and doors have been fitted, and more recently with the generous donation from the village fete, we have been able to redecorate the changing rooms.

All trees on the Croft were inspected and where necessary work was undertaken to ensure their long term health and visual appearance. The youth hut had to be closed for health and safety reasons and consultation will take place shortly to provide a solution on what we can do with the existing building. This will give us the opportunity to look at how we can best serve the youth of our village in the future.

The continual wet weather has not helped the playing surfaces on the Croft and funds have now been allocated to allow for further improvements for all the sports clubs who use it.

As always I would ask all parishioners to support the sports clubs and the various community groups that use our parish assets to ensure we keep our village vibrant. There is still plenty of scope for other activities with both the pavilion and parish offices available for hire – please contact our parish clerk for any information on availability and rates.

**John Smith**

**Town Croft and Parish Assets**

### **THE OAKS OF HARTFIELD.**

A thousand years ago a great oak forest covered the Weald Area of South East England. Today, remarkably, majestic oak trees still define the landscape of this Area of Outstanding Natural beauty. Successive centuries of demand for this valuable timber, together with changes in farming practices have of course transformed our landscape and we are now left to treasure the remaining ancient and veteran oaks that still stand proudly to remind us of their role in our history.

We in Hartfield are blessed with some fine examples of these trees and a visit to the Woodland Trust website interactive map will, I am sure, surprise as well as reward you with the size and locations of the notable and veteran trees in the parish. A wonderful line of oaks can be found on the Croft no doubt originally planted to form part of a hedge boundary between the Town Croft field and the adjoining Wallies Croft. The proudest of these stands with a girth of 5.42 metres aging it to approximately 1650 the time of Cromwell and the Civil War. Go visit these trees and enjoy for yourself part of the history of Hartfield.

A magnificent younger oak stands at the first tee of Holtye Golf Course, it was planted in 1938 by Lady Green of Gatwick Manor on behalf of the residents of Hammerwood and Holtye to commemorate the Coronation of King George the Sixth.

### ***Did you know?***

Nelson's fleet of ships of the line used an average of 2000 mature oaks to construct each one and that his flagship "The Victory" an amazing 6000! Statistics have shown that although an oak tree can produce upwards of 2,200 acorns in a single season, each acorn has only a one in 10,000 chance of actually becoming an oak tree.

**Dan Maher – Hartfield Tree Warden**

## PARKING AT GOODS YARD HOUSE

The Car Park at Goods Yard House is owned by the Parish Council **but available for ALL visitors to the Council Offices at Goods Yard House, the Playschool and those using the Forest Way.** It is increasingly well used and helps to relieve the parking in the High Street. Turning from the Edenbridge Road from the South is however exceedingly tight and the whole width of the road is needed. **PLEASE THEREFORE DO NOT PARK ON THE ACCESS ROAD BUT USE THE MANY SPACES PROVIDED IN THE MAIN BODY OF THE CARPARK.**

**WEALDEN DISTRICT COUNCIL** – Have issued polling cards for voting on Thursday 2nd May 2013 7am -10pm for a candidate to be elected to **EAST SUSSEX COUNTY COUNCIL – Forest Row Electoral Division.** Need more information? Phone Helpline number 01892 602417 or email [elections@wealden.gov.uk](mailto:elections@wealden.gov.uk)

**Sussex Police**  
Serving Sussex

[www.sussex.police.uk](http://www.sussex.police.uk)

**THEFTS FROM CARS.** There has been an increase in break-ins to motor vehicles across Wealden. In one week alone over 14 vehicles were broken into. Each of the vehicles entered have been left unlocked by the owner. A number of cars in Hailsham

and Heathfield were entered, with mainly small change and other small items being taken. Vehicle owners are being urged to lock vehicles when leaving them unattended and to remove all valuables from view or from the vehicle. We would urge all motorists to follow some simple advice. **Lock the doors and close the windows when you leave your car, however long you are leaving it for.**

When parking at home, always use your garage if you have one and lock both your vehicle and your garage. If you don't have a garage, try to park in a well-lit, open place

- When parking outside, always try to park your car in an attended car park. Look for a public car park which is part of the police approved Park Mark scheme and displays the Park Mark® brand. Some car parks also have 'Secure Car Park' accreditation – look for the sign
- Don't leave anything on display. Even an old coat or plastic bag can be a tempting target for a thief
- Remove the stereo if you can
- Don't keep valuables or important documents in the glove box. Leave the glove box open to show there's nothing inside
- Tuck in wing mirrors and put the aerial down to discourage vandals
- Never store your car's documents in the car
- A Thatcham-approved immobiliser or steering lock can help secure older vehicles
- Have the windows etched with the car's vehicle registration number (VRN) and make a note of its chassis number
- Keep your car keys in a safe place, even in your house, so that someone breaking-in cannot steal your car too
- Get an alarm fitted. Alarms can deter thieves not only from stealing your vehicle, but also from taking items from it. You can get more information about alarms, immobilisers and other security devices by phoning the Vehicle Security National Helpline on 0870 550 2006 or the Sold Secure Helpline on 01327 264 687
- Secure your wheels using locking wheel nuts
- Mark all equipment, e.g. car stereo, with your car registration number

Wealden District Commander Chief Inspector Dick Coates, “each of these crimes has been committed on insecure vehicles. Every one of these breaks could have been prevented just by locking the car. I would urge all owners to lock and check your car as well as removing all valuable items from view. Remember even a few pounds left in a car can become a temptation to thieves.”

If you would like to discuss these issues further, you can contact your local neighbourhood policing team by emailing [district.wealden@sussex.pnn.police.uk](mailto:district.wealden@sussex.pnn.police.uk) or ringing 101 extension 68310

## OUR PCSO TURNS BLACK!

Many congratulations to our popular neighbourhood PCSO, Jen Elphick, who got married on Easter Saturday to John Black a resident of Hartfield. PCSO Jennifer Black will hopefully be back serving the Forest Row/ Hartfield Neighbourhood after a secondment to Bexhill. Our own friendly, helpful PCSO Sharon Dersley is now back full time following a recent illness. Good wishes to them both they make such a difference to our Parish.

Following our update in the Christmas newsletter, after further discussions amongst the Parish Council and with East Sussex County Council, it was decided not to proceed with our application for funding from DEFRA's Rural Community Broadband Fund in 2013 as we would be unlikely to be able to raise the necessary funding, demonstrate sufficient demand and prepare a sufficiently robust business plan within the timescales available. Such efforts were also unlikely to secure superfast broadband for the Parish significantly faster than it would hopefully arrive care of East Sussex County Council anyway and may exclude us from future County-wide upgrades to the network.

Consequently, it was decided to instead concentrate our efforts on supporting East Sussex County Council in delivering their broadband plans. As such, in January we passed on all of the local resident and business demand data we'd collected from you as part of our local project to assist in demonstrating, to both the County Council and the suppliers they would be speaking to, the significant demand for superfast broadband within the Hartfield Parish.

As reported in our last newsletter, in the autumn of 2012, East Sussex County Council began informal discussions with service providers about bringing superfast broadband to the County however they were held up awaiting State Aid approval of the funding before they could proceed with formal procurement. Following receipt of State Aid Approval in November 2012 the County Council issued their formal invitation to tender in February taking them one step closer to securing a private sector delivery partner to install superfast broadband. They currently hope to sign a contract by late Spring with work commencing on upgrading services by the end of the year.

However, to ensure that the County attracts interest from service providers they still need further demonstration of demand, and registration by Hartfield Parish residents and businesses will be key to maximising our chances of having our area prioritised for upgrade. If you have not already done so register your demand with the County Council project at: <http://www.goesussex.co.uk/>

## EAST SUSSEX FIRE & RESCUE SERVICE – COMMUNITY FIRE SAFETY IN WEALDEN

The Community Safety Team in Wealden delivers free home safety visits and talks on request within the Wealden District. **Home Safety Visits are a free, fire safety inspection of your home undertaken by East Sussex Fire and Rescue Service. We are also able to fit new smoke alarms during this visit to protect your home, where appropriate, for free.**

The Community Fire Safety teams can give you advice on protecting yourself from fire risk, making an escape plan and maintenance of your alarms.

For example, making simple bedtime checks by shutting doors and switching off unused electrical items before you go to bed can reduce the risk of a fire developing.

In the Wealden area, these are undertaken by the Wealden Community Safety Advisors (George Stonehouse, Kate Graham and Gaidagh Chapman). They, and the five other teams covering the whole of East Sussex can be contacted on 0800 177 7069 for an appointment.

The Community Safety Team will also organise and attend events on behalf of the Fire Service within your area. Please get in touch if you wish to request our help!

For visits within Wealden District, **please phone 01323 462824** or email the team at [CSA.Team4@esfrs.org](mailto:CSA.Team4@esfrs.org)

## UPDATE ON PARISH COUNCIL PROJECTS

### Town Croft Signs

Planning permission is being sought for the new Town Croft sign which celebrates its Establishment in 1949 and the dedication as a Field in Trust, on the occasion of the Queen's diamond Jubilee in June 2012. Signs to advertise the sports clubs and to direct visitors up the Croft drive are also being considered.

### Hartfield War Memorial

We are trying again to update the Hartfield War Memorial to include the missing names of those who gave their lives in the two world wars. We are in negotiations with the British Legion for the work to be carried out, half of which has to be paid for by the Parish Council. As far as we can establish, there are no missing names from the Holtye memorial.

### Maintenance

This year we have allocated money for increased maintenance of Parish Council property. The Playground needs new bark and sand and we are continuing with a tree maintenance programme started last year. The Croft has suffered from the wet weather so the football pitch, in particular, will receive additional attention. We have also put money in the budget in case the verges in the village need an extra cut; however, having made such a fuss about the quality of grass cutting last year, the grass cutters were out before the end of March which gives us a head start when the spring/summer finally arrives.

### Youth activities

Before Christmas, the Parish Council arranged for a Youth Bus, staffed with Youth Workers, to visit Hartfield every week and provide activities for our young people. Unfortunately East Sussex County Council funding for the bus was diverted elsewhere and we lost out as a consequence. We are now in negotiations with the Forest Row youth group and the Wealdlink Community Bus Company to arrange return transport to the Forest Row Youth Club, once a week. We hope this will be open to young people of secondary school age who live in Hartfield Parish. Forest Row employs youth workers to organise activities for members of the group. While it might be preferable to have a Hartfield youth group, this initiative gives an opportunity for our young people to make new friends and take part in youth activities. If all the arrangements go smoothly, the bus will run for twelve weeks in the spring/ summer. If it is successful, consideration will be given to continuing the service. In the meantime, the Parish Council are working with a member of the "Action in Rural Sussex" team towards helping the young people in Hartfield create a youth group of their own if that is what they want.

Please see below for details about how to express an interest in the transport scheme to Forest Row Youth Club that Hartfield Parish Council is considering as a short term trial.

### Calling all 12 -18's -

### Can you pass word around!

Forest Row Parish Council are investing very heavily in major new Youth Facilities we know some Hartfield teenagers already attend their present drop in sessions. Whilst we are going through our own consultation exercise in Hartfield

we want to offer regular transport between Hartfield and Forest Row. Until we have an idea of numbers of young people who might be interested we cannot fix any times, dates or collection points but hope to start very soon if demand is there. **If you are interested please contact the Parish Clerk or any of Councillors you might know whose contact details both telephone and email are on the back page of this newsletter, then we can immediately get going!**

## SOUTH & SOUTH EAST IN BLOOM

This is not a Parish Council Project but has been co-ordinated in recent years by willing people who also happened to be Parish Councillors. Cllr. Dan Maher who ran the project last year has now taken up extra duties as a Tree Warden and cannot find sufficient time to devote to organising working parties to make the village look spic and span in time for the judging. Despite the fact we have NOT ENTERED the competition this year, it would be great if you would all continue to take a pride in our Conservation Village and keep it looking at its best at all times. Several other parishes have formed working parties/committees to oversee their entry so if anyone is keen to form a group the Parish Council might possibly be keen to support such an initiative in future.

Storyfest is returning to Hartfield on the stories take on a whole new dimension - top authors, poets and illustrators, we film, with the British Film Institute and the introduction of the Storyfest village hall. Once again the WI are in Playschool's beautiful gardens and as well as all the ticketed events, there will be lots of free storytelling, crafts and dressing up. You can find full details of our programme on [www.storyfest.co.uk](http://www.storyfest.co.uk) or pop in to the box office in the village hall to see us. We are currently looking for volunteers to help over the festival weekend and we would love to hear from you if you have an hour or two, or more, to spare.

18th and 19th May. This year as well as our stunning line-up of are exploring Storytelling through running film making workshops Cinema, bringing film back to the hosting our Mad Hatters Tea Party

Best Wishes, the Storyfest Team:- Buff Baughn – Emma Stillwell –Sally Paynter & Tam Weaver

**HARTFIELD ACTION TOGETHER with COLEMAN'S HATCH** – are holding their AGM at 2pm on the 17<sup>th</sup> April following the village lunch in Hartfield village hall. If you would like to join the committee or offer help or join for lunch please contact the Secretary Enid Lambeth 01892 770003

**GROOMBRIDGE & HARTFIELD PATIENTS' PARTICIPATION GROUP.** The Group (PPG) was formed some 2 years ago on the initiative of the G&H Medical Group to represent the interests of its patients as a whole: it does not deal with individual patient's complaints. It is independent of the Practice but works very closely with the GP's and staff on matters affecting local service delivery, facilities and now provides vital patient input to the newly created High Weald Lewes Havens Clinical Commissioning Group of which the practice is a party under the NHS restructuring. The PPG recently organised a successful and well attended open meeting between patients, a senior GP partner and the PPG. The PPG also has a virtual group for patients wishing to follow its activities but who are unable to attend meetings. It is our policy and wish to have a Committee which broadly represents the practice patient/age/gender profile For further information on the PPG's activities contact: Chairman: David Butcher – 01892 860456 Vice Chairman: Margaret Williams – 01892 770483 or Virtual PPG Membership: Christine Terry – 01892 864643

**COMMUNITY SNIPPETS** One of our best known character residents– born and brought up in Hartfield is Tommy Mitchell who has recently joined the ranks of our Octogenarians. He and his father before him ran Central Garage and he has been recognized for all the skilled practical repair and refurbishment work he did to lovingly preserve many of our parish assets whilst serving on the Parish Council. His love of Veteran cars and eclectic mix of historical relics he collects have captured the interests of many residents, young and old. Tom always speaks his mind and takes issue with things he feels strongly about in the Parish such as correct road naming. He has a mine of historical information to impart about Hartfield.

*Happy 80<sup>th</sup> Birthday Tom!*

## DATES FOR YOUR DIARY

**Sunday 21<sup>st</sup> April -Bags2 to the future.** Raise money for your village hall by bringing along unwanted clothes, curtains, bed linen, belts, paired shoes. Please note bric-a-brac, duvets and pillows not accepted. 2pm-4pm village hall.

- **23<sup>rd</sup> April – Village Hall AGM** – looking for a secretary!
- **21<sup>st</sup> July – Rude Mechanical** – Harlequin Goes to the Moon Town Croft
- **30<sup>th</sup> July 2013 -Coleman’s Hatch Horticultural Show** - Eve James 01342 823506
- **7<sup>th</sup> September Hartfield Horticultural Show & Village Fete** Town Croft - Pauline Burnett Dick 01892 770088

## HARTFIELD ARTS & THEATRE SOCIETY

This group evolved from the very successful community play *Parallel Lives* performed in the Church last summer. The cast so enjoyed working together and were so enthusiastic that it was suggested we meet monthly the last Friday of the month in the back room of the Anchor. Events have included performing the Live Nativity at the request of the Church Wardens, resurrection of the Poems and Pints fun evenings and bringing live theatre and workshops to Hartfield such as the Rude Mechanical Theatre’s productions and Strangeface Theatre’s *Pinocchio*. Jon Oram who wrote *Parallel Lives* is very supportive of our group and attends when he can he also runs popular workshops. We all have great fun and formed friendships and there are lots more exciting projects in the pipe line. For more information please contact Genevieve Zwada 01892 771472
