

HARTFIELD PARISH EMERGENCY PLANNING

If you think that you could offer help to our community in the event of an emergency please complete this form and return it to the Emergency Management Team c/o The Clerk to the Council

Nearly all emergencies affecting communities can be dealt with routinely by an integrated multi-agency response; however, a situation may occur (such as extensive flooding, storm damage, deep snow, power outage or major incident) which could delay the arrival of outside assistance because services are overwhelmed, in such circumstances our community will need to help itself.

An Emergency management Team has been set up by the Parish Council to update our Emergency Plan that will ensure that strategies are put into place to mitigate the effects of an incident. We cannot know if, when or under which circumstances the Emergency Plan will be used but we are confident that you will be willing to assist in identifying local skills and resources to assist in developing it.

Remember, no matter how small you feel the assistance you may be able to give is, it will be valued as part of the whole Plan.

Please note that all information supplied is confidential to the Parish Council and the Emergency Planning Team.

Name:	
Address:	
Post Code:	
Telephone:	
Mobile:	
Email:	

Please tick as many of the following as apply to you and your household:
